Warwickshire Girls Competition 28th October 2009

Dear Sir

Please convey my thanks to Nuneaton Golf Club for allowing the Warwickshire Girls to hold their final round of the stableford series 2009 on October 28th. The course looked wonderful in the autumn sunshine and, as I expected, was a good test for the players. Only two girls played under their handicap. The winner with 40 points was your own Hannah Pearl Wood. It has been delightful to watch her progress this year as part of our county eagle squad. She is a credit to your ladies section and has worked hard to reach her single figure handicap. I'm sure it won't be long before you have other girls playing to a similar standard.

All your catering staff and office staff were helpful as usual and you are fortunate to have such a committed professional, Craig Phillips.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Jane Dennick'.
